

BHANODAY GOLLAPALLI

NETWORK ADMINISTRATOR

+919666355136 ■ bhanodaygollapalli@gmail.com ■ www.linkedin.com/in/bhanodaygollapalli

CAREER OBJECTIVE

Motivated **CCNA certified graduate** seeking an entry-level position in networking. Bringing theoretical knowledge and a strong foundation in networking concepts to contribute effectively to an IT team and further develop technical skills.

SKILLS

- OSPF Routing
- LAN Switching Technologies
- VLAN Configuration
- NAT
- ACL
- IP Addressing and Subnetting
- Troubleshooting
- EIGRP Routing
- STP
- Trunking
- Etherchannel
- Network Configuration
- Cisco Equipment Familiarity

EDUCATION

- **BACHELOR OF SCIENCE (B.SC) IN COMPUTERS**
Andhra University, Visakhapatnam August 2023
- **INTERMEDIATE IN MPC**
Raviteja junior college, Amalapuram June 2018
- **SSC**
Mother Teresa Public School, Amalapuram May 2015

CERTIFICATIONS

- Cisco Certified Network Associate
Issued by Cisco
Valid from Nov-6-2023 to Nov-6-2026

VOLUNTEER EXPERIENCE

Network Simulation Experience (Packet Tracer):

During my educational journey and early career development, I gained valuable expertise in network administration by extensively practicing network simulations on Cisco Packet Tracer. Through these simulations, I honed my knowledge of networking protocols, configurations, and troubleshooting techniques. While my experience has primarily been in simulated environments, I am eager to apply this strong foundation to real-world challenges as a dedicated Network Administrator.
